

Regulation Market Issues Senior Task Force Report
PJM Interconnection
Members Committee Webinar
November 16, 2015

The Regulation Market Issues Senior Task Force (RMISTF) held its third meeting on November 11, 2015. The Charter was endorsed without objections or abstentions by the MRC on Oct. 22.

PJM Staff and the Independent Market Monitor provided extensive educational material and presentations at the November 11th meeting. The development of Interest Identification is planned for the next meeting, with some additional education topics to be covered.

Next meeting: November 10, 2015
