Progress Update

Ms. Fabiano, PJM, GDECS facilitator, presented several definitions and market clean-up items for both a first read and a vote at the January 28, 2016 MRC meeting. All definitions and market clean-up items that were presented ([PPT](#)) for voting passed with the exception of "Alternative Dispute Resolution" (ADR). 31 out of the 32 items that passed were voted by acclamation.

At the February 22, 2016 GDECS meeting the PJM legal department and Mr. Adam Keech presented a second read of corrections and clarifications, both substantive and non-substantive to governing documents on all pending items. Voting on these items took place via Survey Monkey from February 8, 2016 through February 15, 2016. GDECS vote results, edits suggested by stakeholders to voted items, and several first-read items were presented at the February 17 GDECS meeting.
