

Regulation Market Issues Senior Task Force Report
PJM Interconnection
Members Committee Webinar
July 25, 2016

The Regulation Market Issues Senior Task Force (RMISTF) held its 11th meeting on July 19, 2016. The Charter was endorsed without objections or abstentions by the MRC on October 22, 2015.

PJM Staff and the Independent Market Monitor provided extensive educational material and presentations at the each of the RMISTF meetings. Interest Identification is complete, and Design Components have been identified. At the March 24th and April 13th meetings the option development was continued, and was completed at the RMISTF's June 1, 2016 meeting.

Additional education regarding the Marginal Rate of Technical Substitution theory was provided and initial presentations of proposed packages were provided at the group's June 22, 2016 meeting.

Additional presentations on the regulation signal definition and Marginal Rate of Technical Substitution as well as continued discussion of proposal packages were conducted at the meeting on July 19, 2016.

Next meeting: August 30, 2016
