

Transmission Replacement Processes Senior Task Force (TRPSTF)
PJM Interconnection
Members Committee Webinar
November 14, 2016

The Transmission Cost sub-team continued their efforts on November 4th. A recap was given from the previous September 8th sub-team meeting. Background information was presented and ground rules for Transmission Cost Sub-team were set forth. The Transmission Owners brought forward a strawman proposal for the Transmission Cost Information Center framework. The individual Transmission Cost components, definitions, data sources and the timing were addressed as previously requested by Transmission Customers. The sub-team members agreed to give an update and education at the next TRPSTF meeting on November 18th.

The sub- Team meeting was held as an open call with the request that participants hold questions for the second half of the meeting.

Please visit the TRPSTF site for further information, and direct any questions you may have to the TRPSTF secretaries ([Julia Spatafore](#) and [Jason Quevada](#)).
