Issue Status

This issue, as related to the MRC Special Session group, is now complete.

Target Completion

The MRC Special Session work associated with this effort is now complete.

Progress Update

The MRC Special Session group has not met since the last MC Webinar. On May 28, 2020, a second read of Packages A and C was presented to the MRC, and a sector-weighted vote was conducted. Both packages failed the sector-weighted vote.

Also on May 28, 2020, a proposal was made at the MC meeting to suspend stakeholder process rules requiring a delay prior to an MC vote on OA revisions associated with Package A. This proposal resulted in an MC sector-weighted vote which also failed.
