

Reactive Power Compensation Task Force Monthly Progress Report

October 31, 2022

Reactive Rate Process

Target Completion

The expected completion date for this task force is Q12023 (TBD).

Progress Update

October 20 meeting:

- Stakeholders discussed proposal packages. Due to a time constraint, the PJM proposal and updated poll questions will be discussed at the November 29 meeting.
- The current work plan was reviewed.
- Including the Status Quo, there are currently five proposals being considered. One proposal was removed and a new proposal was added since the previous RPCTF meeting held on August 1.

Action Requested

Stakeholders were asked to review the updated polling questions and provide feedback before the November 29 meeting. The final poll is expected to be administered after the November meeting,
