### 2. PJM's FERC order 2222 Compliance Filing

On March 30, 2023 PJM requested an extension on the 60-day compliance filing deadline to address the directives in the March 1 Order, from May 1, 2023 to September 1, 2023. FERC granted extension on April 11, 2023. Stakeholder engagement will be through the DISRS scheduled meetings: 4/10, 5/8, 5/25, 6/5, 6/23, 7/14, 7/31, 8/7.

### 3. New Issue Charge

Voltus is bringing forth a new issue charge to add additional energy offer parameters for economic Demand Response. The issue addresses a specific technical limitation, wherein Demand Response assets cannot set key operational parameters as part of market offers to PJM. Voltus staff will introduce this issue charge to stakeholders at May 8th 2023 DISRS meeting.
