

# Regulation Market Design Monthly Progress Report

6/20/23

## Regulation Market Design

### Issue Status

The RMDSTF is currently narrowing packages

### Target Completion

2023 Q3

### Progress Update

The RMDSTF is actively working to work towards consensus as we currently have three packages

### Action Requested (if necessary)

Stakeholders should review the existing matrix to understand the differences between the two packages. We anticipate a vote following the July meeting.
