Compliance filing due to FERC by Sept 1, 2023	09.08.2023

- Voltus is bringing forth a new issue charge to add additional energy offer parameters for economic Demand Response.
- The issue addresses a specific technical limitation, wherein Demand Response assets cannot set key operational parameters as part of market offers to PJM.
- Voltus staff will introduce this issue charge to stakeholders at May 8th 2023 DISRS meeting.
