1. **Administration**

The meeting was called to order and the minutes for the July 27, 2014 meeting and the current meeting Agenda was approved with no revisions and no objections.

2. **NERC Standard – 024 Education**

Ms. Monzon, PJM, presented an overview of NERC standard 024 and how it relates to generation interconnection.

Ms. Keshavamurthy reviewed from feedback about the PJM package and an additional component for duration was added.

3. **Design Component and Package Development ([Issue Tracking](#))**

Ms. Keshavamurthy reviewed consolidation of the design components. Mr. Berner, PJM, reviewed the PJM draft package within the matrix document. Since only one package was proposed and there was no objections to moving the package to the parent committee, the consensus package will be presented for a first read at the September 2, 2014 Planning Committee.
