Product	Date	Issue
FTR	8/18/2022	A system performance problem caused member bids submissions to timeout during the FTR auction. The FTR auction was extended by 2 hours. PJM teams are implementing system changes to improve performance.
Real-time LMP	9/1/2022	Real-time LMP posted late due to and internal system configuration issue. IT teams resolved the problem by reverting the change to a known good configuration.
Data Miner 2	9/1/2022	A system update caused Data Miner 2 to become unavailable for several hours. Application teams implemented a fix in production to restore service.
