Mr. Mark Takahashi, Chair, PJM Board of Managers
PJM Interconnection, L.L.C.
2750 Monroe Boulevard

Dear Mr. Takahashi:

The OPSI Board¹ understands you are taking a recent Members Committee vote to amend the PJM Tariff under consideration for a Section 205 filing. The OPSI Board expresses its concern with the Members Committee proposal to amend Capacity Performance penalty rate and stop loss amounts for Delivery Years for which auctions have occurred and capacity prices have been determined. The OPSI Board, however, takes no position at this time as to the proposed Performance Assessment Interval triggers. The OPSI Board respectfully requests these positions are timely considered by the PJM Board in making its decisions regarding exercising its Section 205 filing rights for the PJM Tariff.

Sincerely,

Charlotte A. Mitchell, President
Organization of PJM States, Inc.
