

## Rules Related to Market Suspension Monthly Progress Report

9/27/2021

### Rules Related to Market Suspension

#### **Issue Status**

The MIC voted on the PJM proposal at the June 2021 committee meeting. The package was endorsed with 100% support.

The proposed solution and associated Governing Document revisions addressing Rules Related to Market Suspension were presented at the August MRC. The committee will be asked to endorse the proposed solutions at the September meeting. Members Committee endorsement will be sought in October.

#### **Target Completion**

October 2021
