

- PJM received \$1,375,000 in payments per the GreenHat settlement
- FERC Office of Enforcement has signed off on the plan to distribute this sum to PJM market participants as follows:
 - PJM will disburse one single distribution of the total funds received;
 - Pro rata distribution to market participants that were charged a portion of the GreenHat default using the allocation percentages in the final billing of default assessments included in PJM Settlement Inc.'s June 2021 monthly billing statements; and
 - PJM will include the distribution to market participants in the June 2023 monthly billing statements which would be financially disbursed and settled in mid July 2023.
