

PJM Conference and Training Center Safety Briefing

PJM has instituted a requirement that a safety meeting be provided at all PJM hosted meetings attended by non-PJM personnel. While no one ever expects an emergency, a simple safety briefing can play a critical role in being prepared and may make all the difference when seconds count.

The Topics

Exits

In the event of a fire emergency indicated by the flashing white light, please exit out either the front, side or rear door. Once outside, proceed to the rally point located in the front of the building where we will meet and conduct a roll call. In the event of a weather or law enforcement emergency indicated by the flashing yellow light, listen for instructions and make an appropriate response.

Telephone

Telephones are located in all meeting rooms. Simply pick up the phone and dial 9-1-1. If utilizing your cell phone to make an emergency call note that the address and room location can be found on the telephone located in each room.

Fire

In case of fire, fire extinguishers are located throughout at 1st floor common areas and can be found at the front entrance, outside Volta, as well as the hall leading towards the members dining area.

CPR, First Aid, and AED

In the event of a medical emergency dial 4444 from any house phone and request the Medical Emergency Response Team respond to your location. If you are CPR or First Aid qualified and willing to help in an emergency, please identify yourself to the meeting host. The AED and First Aid kit are located behind the lobby reception desk.

Other

Point out restrooms, designated smoking areas, meals and beverages, printing & charging station as well as quiet area. (Conceirge when available)
