Reason for Change:

Section 2.1 - to strengthen language in preparation for NERC audit; Attachment 1 - to implement load drop reporting rules for new Price Responsive Demand product

Summary of the changes:

Section 2.1 - added statement indicating that PJM's method of calculating hourly load ensures that all load is counted once and only once. Attachment A - added language stipulating that PJM is responsible for producing PRD addbacks and the role of PRD Providers in submitting data to PJM. The calculation formula for PRD addbacks is specified.
