| <b>Impacted Manual sections:</b>  |            |
| Section 3, Attachment D (new) and Attachment E (new)  |            |
| <b>Reason for change:</b>   |            |
| To implement the solution package of the Summer-Only Demand Response Senior Task Force, to better value summer-only demand response resources through the load forecasting process, as an alternative to supply-side participation in the capacity market.. |            |
| <b>Summary of the changes:</b>  |            |
| Section 3: Revisions to the load forecast development process to explicitly recognize approved summer-only peak shaving programs.   |            |
| Attachment D (new): Creates the rules and timelines related to Peak Shaving Adjustment Plans.   |            |
| Attachment E (new): A template for the Peak Shaving Officer Certification Form.   |            |
