

# Manual 14F – Periodic Review (Revision 10)

Augustine Caven  
Manager, Transmission Coordination & Analysis  
Markets & Reliability Committee  
September 25, 2024

- Represents a periodic review of Manual 14F
- Revision 10 does not include any of previously reviewed M14F LTRTP related manual revisions, which were not fully endorsed
- Periodic review was conducted on the currently published Revision 9 to prepare the new Revision 10
- This revision was fully endorsed by the Planning Committee on September 12, 2024.

- Numerous formatting and grammar corrections throughout the manual.
- Reorganized content in Section 6.5
- Removed out-of-date references to the Appendices in Sections 8.2.1.4 and 8.2.5
- Reference to an out-of-date demonstration video for the Secure File Transfer Tool in Attachment A replaced with a link to PJM's posted 'Secure File Transfer Instructions'.
- Updated Attachment A to accurately reflect current instructions on file submittals for PJM windows.
