

Package Polling – Draft Questions

April 21, 2022

OC/MIC Special Session

Fuel Requirements for Black Start Resources

- Compare support for current packages as proposed
- Identify design components and solution options that require further discussion to refine packages
- Facilitate stakeholder feedback

1. Do you believe that fuel assurance requirements for black start resources are necessary for reliability?
 - a. Yes / No / Maybe
 - b. Open text

2. Do you think it is important to have a minimum fuel assurance requirement for black start resources?
 - a. Yes / No / Maybe
 - b. Open text

3. Do you think it is appropriate for the minimum fuel assurance requirement to be one black start site per zone?
 - a. Yes / No / Maybe
 - b. Open text

4. Beyond a minimum requirement, do you think it is important for reliability to make a minimal number of additional fuel assurance investments based on reliability criteria?
 - a. Yes / No / Maybe
 - b. Open text

5. Can you support Package [X] ?

- a. Yes
- b. No

6. If 'No', please provide feedback on which solution option you cannot support and why.

- a. Open Text

7. Any additional feedback?

- a. Open text

- Update questions based on stakeholder feedback and open poll shortly after this meeting
- Poll closes on **Friday, 4/29/2022 at 5pm EST**
- Results will be shared at the 5/12/2022 Special Session
