Connect.pjm.com	SSO integration development											

Legend
- Start Date
- End Date

- When logging in, external users must use the following username format: DMZ\username

- Prepared connect.pjm.com for integration with PJM's Single Sign-On by April 2020

- New user interface

  - Visually aligns with the Windows 10 desktop operating system

  - Streamlines menu options, responds to user interactions, and presents actions only when needed

- Internet Explorer is the preferred browser for connect.pjm.com

Currently, connect.pjm.com prompts users for their accounts via the web browser.

After integration, users will be directed to PJM's Single Sign-On application.
