# Networks Roadmap

As of March 12, 2024

- External Wildcard Certificate Update
- Added Network Maintenance on Apr 10 and Apr 17

- PJM has confirmed no impact to PJM Command Line Interface.

- This certificate replacement is being planned for 4ᵗʰ Quarter 2024.

- Detailed communication will be provided in advance of the replacement date, including instructions on where to get the new certificate.

- PJM will also provide working sessions in September, October, and November to assist the certificate replacements and answer what questions remain. Dates and times to be provided in a future forum.

| Product - Action Required | Deadline | Who May Be Affected |
|---|---|---|
| Network Maintenance | **April 10**<br>**April 17** | Production interface updates |

| | Jan | Feb | Mar | Apr | May | Jun | Jul | Aug | Sep | Oct | Nov | Dec |
|---|---|---|---|---|---|---|---|---|---|---|---|---|
| **Network Infrastructure Maintenance** | | | | April 10 ◆ April 17 | | | | | | | | |
