

Q & A for the PJM.com Upcoming Changes Page

Q1 Do I need to be signed into my PJM account to see the messages?

A1 No, you do not need to be signed into your PJM account.

Q2 What type of information is posted on the page?

A2 Planned outages to PJM tools, websites and apps, as well as delayed data or report deadlines

Q3 Can I receive the messages posted to the Upcoming Changes page automatically?

A3 A [Web Service](#) is available. PJM is diligently working on the next phase of the project to incorporate the ability for automated notification of updates by the end of 2019.

Q4 Can I export or scrape the data?

A4 A [Web Service](#) is available. PJM does not recommend scraping the data from the web page.

Q5 Will PJM stop sending the emails providing notification of outages or delayed postings?

A5 No, PJM will continue the emails.
