

Return-to-Campus Plan

Scott Heffentrager
Sr. Dir., Physical Security &
Facility Services

- Maintain Campuses that are Pandemic-Operational Ready
- Supports Critical Operations Only on Campus
- Protects the Safety of People and Campus
- Flexible, Cautious, Coordinated and Well Communicated
- Supports Flexible Work-from-Home
- Forward Looking

Pennsylvania Current Orders and State Reopening Plan

- Stay-at-home order extended until June 4 for Counties in red phase.
- Safety order in place for essential-business.

PA Governors Reopening Plan has Three Phases: Red | Yellow | Green

- **Red:** Stay-at-home order continues - Life sustaining businesses only
- **Yellow:** Safety order still in effect - Telework must continue if feasible – Stay-at-home restrictions eased
- **Green:** Safety order and stay at home restrictions lifted

Criteria to move Phases

- Average fewer than 50 new positive cases per 100,000 residents over 14 days / Montco. $415/14 = \text{avg. } 30 \text{ per day}$
- Evaluated by county with regional considerations
- Hospital capacity
- Virus rebound in a county may result in moving back to previous phase precautions

Criteria for Return-to-Campus Plan Informed by:

- The Pennsylvania Governors Reopening Plan
- PA Safety Order
- PJM's BCP Pandemic Plan and BIA
- Incident Response Team Data Pull
- Epidemiologist
- Facility and Campus Protocols
- Employee Considerations
 - School and Camp Closures
 - Employee Safety and Well Being

PJM's Proposed Framework:

- Mirror Pennsylvania's Phased Approach
- Comply with State / County Criteria
- Comply with PA Safety Order
 - Flexible
 - Balance Employee Safety
 - Minimize Risk to Operations / PJM Facilities
 - Ensure Reliable Operations

All Phases = Flexible – Cautious – Coordinated – Well Communicated
