

Lines Subgroup Progress Update
08/17/16

- Where we started:
 - TSS Guide as a straw man
 - Guiding Principles
 - Criteria Spreadsheet
- Since the last update:
 - Supplemental call on electrical issues and live line maintenance, with results
 - Finished review of spreadsheet
 - Switch in philosophy from more prescriptive to “mandatory suggestive” language (similar to SPP MDS)
 - Supplemental call to begin discussing narrative, progress
- Looking ahead
 - Look and feel of the document
 - Tentative release of first draft – January 15, 2017
