My Email Lists

PJM uses a number of lists to send meeting notices, materials, voting or polling results, tool updates and reminders to stakeholders. To subscribe to a list, browse the topic categories and select the lists to which you would like to be added. Once you have made your selections, click the submit button. Selections will be processed within 10 minutes of submission. Do not attempt to resubmit the selection as this will overwrite the latest request.

If you don't see an email list in the *Available Subscriptions* box below, you can update your subscription preferences via the [Email List Update form](#) by entering the name of the mailing list which you would like to be subscribed to or unsubscribed from.
