- We have posted the updated officer certification for Transition Cycle 2 here: <https://pjm.com/planning/service-requests/application-and-forms>

Business Forms & Instructions

Officer Certification for Transition Cycle 2 Readiness Site

Control [DOC](#)

- Within the form it does note the site control due date which is one year from December 17th 2024. :

[{Instructions use “Officer” and “Authorized Officer,” or “Representative” and “Authorized Representative” consistently throughout}]

**OFFICER [/AUTHORIZED REPRESENTATIVE] CERTIFICATION
OF DOCUMENTS SUBMITTED TO PJM CONCERNING THE SITE CONTROL
READINESS REQUIREMENT
FOR AN INTERCONNECTION REQUEST SUBJECT TO TARIFF,
PART VII, SECTION 302**

I further certify that all documents that Project Developer is relying on for Site Control (i) have an initial term of one-year beginning from the relevant Cycle Application Deadline, December 17, 2024, as required by Tariff, Part VII, Subpart C, section 306 (B)(5),

- PJM will be sending emails to each developer letting them know how much they owe for the start of TC2. These emails will be going out shortly to the main contact we have on file.
- PJM’s calculation will be the study deposit due minus the remaining balance from the initial deposit.
- You can still submit now but once you send the wire please email IPAdmin@pjm.com the confirmation
- If you would like additional information on study deposits, readiness deposits, and how PJM will process TC2 refunds please review Paula Moore’s PowerPoint from the June IPS here: [TC2 Deposits](#)

Study Deposit

- Single deposit for entire Cycle, based on project size
- 10% is non-refundable.
