PJM Compliance Activities (9:15-9:35)

2. Manual Updates
 - A. There were no manual updates.
3. Kyle Clifford, PJM, provided an update on [PJM Compliance Bulletin: CB029, NERC PRC-027 and other Protection and Control Series Standards](#).

FERC, NERC, and Regional Activities (9:35-9:55)

4. Becky Davis, PJM, provided an update on [FERC, NERC and regional activities](#).

Becky mentioned that entity contact information will be updated and if there were updates entities were able to make updates until May 19, if there are additional updates, email can be sent to regional_compliance@pjm.com.

Becky reported on the following:

- Project 2021-01 Modifications to MOD-025 and PRC-019. The purpose of this project is to augment the “Applicability – Facilities” and “Applicability-Functional Entities” sections in MOD-025, MOD-026, MOD-027, PRC-019 and PRC-024 reliability standards to address (non-generation) transmission-connected dynamic reactive resources – both rotating machine (i.e. synchronous condenser) and power-electronics based. Due date for Standard drafting team nomination was on May 20, 2021.
- NERC Rules of Procedure, Becky mentioned that comment period open for proposed revisions to the NERC rules of procedure due June 28, 2021 and comments has to be submitted electronically to ROPcomments@nerc.net.
- She also mentioned about ERO Enterprise Issues Extension of Self-Logging Program Expansion and Deferral of On-Site Activities.

- Becky discussed about the NERC – Reliability Risk Management and indicated that three Human Performance in Electric Power Virtual sessions are tentatively scheduled for July 15, October 21, and December 2 of 2021 from 1:00 - 5:00 p.m. Eastern.
 - She also provided dates for Reliability First Technical Talks, RF Compliance Users Group, Operational Resilience Webinar and SERC Reliability Corporation, Registered Entity Training for Align.
5. Mark Kuras, PJM, made an announcement that there was a NERC PER-003 potential violation because of a Transmission Operator’s losing NERC certification. He indicated that NERC Operators need to be NERC and PJM certified through periodic training. He also mentioned that the risk due to this violation is low as the person was previously NERC certified.

Antitrust:

You may not discuss any topics that violate, or that might appear to violate, the antitrust laws including but not limited to agreements between or among competitors regarding prices, bid and offer practices, availability of service, product design, terms of sale, division of markets, allocation of customers or any other activity that might unreasonably restrain competition. If any of these items are discussed the chair will re-direct the conversation. If the conversation still persists, parties will be asked to leave the meeting or the meeting will be adjourned.

Code of Conduct:

As a mandatory condition of attendance at today's meeting, attendees agree to adhere to the PJM Code of Conduct as detailed in PJM Manual M-34 section 4.5, including, but not limited to, participants' responsibilities and rules regarding the dissemination of meeting discussion and materials.

Public Meetings/Media Participation:

Unless otherwise noted, PJM stakeholder meetings are open to the public and to members of the media. Members of the media are asked to announce their attendance at all PJM stakeholder meetings at the beginning of the meeting or at the point they join a meeting already in progress. Members of the Media are reminded that speakers at PJM meetings cannot be quoted without explicit permission from the speaker. PJM Members are reminded that "detailed transcriptional meeting notes" and white board notes from "brainstorming sessions" shall not be disseminated. Stakeholders are also not allowed to create audio, video or online recordings of PJM meetings. PJM may create audio, video or online recordings of stakeholder meetings for internal and training purposes, and your participation at such meetings indicates your consent to the same.

Participant Identification in Webex:

When logging into the Webex desktop client, please enter your real first and last name as well as a valid email address. Be sure to select the "call me" option. PJM support staff continuously monitors Webex connections during stakeholder meetings. Anonymous users or those using false usernames or emails will be dropped from the teleconference.
