EXTERNAL EDART FILES TO ZIP CONVERSION

- Conversion of eDART files (.txt and .csv) available on pjm.com to zip files in July 2021.
 - Files were designed to be read by users but several users are currently using programs to scrape the data.
 - Due to the size of some of the files, users receive only partial files when downloading the files from pjm.com.
 - Conversion to zip files will reduce the data transfer size for users.
 - No changes to the current files links expected.
